

SERVICE PORTFOLIO

THE VALUE ADDED SERVICES PERFORMED BY CMR RISK & INSURANCE SERVICES, INC. ARE THE DRIVING FORCE TO CONTROLLING YOUR HUMAN RESOURCE AND EMPLOYEE BENEFITS COSTS. OUR SERVICES WILL REDUCE YOUR INTERNAL HUMAN RESOURCE EXPENSES AND IMPROVE THE WELLNESS OF YOUR EMPLOYEES.

▶ ADVANTAGES OF WORKING WITH CMR

▶ COMPLIMENTARY TRAINING & CONSULTING

▶ HUMAN RESOURCES EDUCATION

▶ HUMAN RESOURCES SUPPORT

At CMR Risk & Insurance Services, Inc., we do much more than deliver a wide selection of employee benefits, products and services. We deliver a difference by providing expert counsel, superior service, partnership and trust by allocating our resources to a level of service that matches your level of need.

The organizational structure and business focus of CMR is designed to bring together the best minds and the best specialized expertise in the industry without multiple layers of internal bureaucracy to hinder efficiency and decision-making. This enables us to work with clients of all sizes. The result is that you receive the right employee benefits solutions for your company's special needs and unique culture. You also receive highly responsive day-to-day service that ensures your vendors deliver exactly what was promised in the sales process.

Supported by the latest technology and on-line capabilities, our dedicated employee benefits specialists can analyze and understand your needs to see solutions that others might overlook.

Advantages of working with CMR:

- Access to a complete variety of employee benefits products.
- Expert counseling.
- Superior service
- Value added benefits at no additional charge.
- Industry coaching at no additional charge.
- Unique plans tailored specifically to fit your company including medical, dental, vision employee and executive benefits, and more.

Complimentary Training and consulting

Cutting-edge business courses and consulting topics at your disposal as a CMR client:

- Hiring the best people.
- Sales Success 1, 2 & 3.
- Goal Setting and Achievement.
- The Career Compass Sales Creativity.
- Financial Topics
- Award-winning "Trends" series
- And much more.

Human Resources Education

The Personality Directionals course teaches the differences in personality and how this drives behavior both at work and in personal life. This class will help all members of an organization work more effectively with each other through greater understanding and appreciation of each other.

Hiring the Best People covers the newest and most effective techniques in interviewing, hiring and retaining the best people. This class covers the newest aspects of interviewing to minimize the exposure to lawsuits, attract the best suited people to the open position, and create an environment to help them succeed.

Human Resources Support Including:

- Web based custom portal for HR administration and employer to employee communication.
- Document management.
- Employee wellness and training programs.
- COBRA Compliance.
- TASC (Total Administration Services Corp.).
- And much more.
